Lancaster Road, Dunston
Gateshead NE11 9HR
(Next to Metro Centre)

Chairman's Invitation

Dear Colleague,

I am delighted to have the opportunity to invite you to attend the 23rd Northern Region Exhibition.

The strong support for our annual event has grown year on year which reflects the high interest and commitment shown by colleagues who are one way or another involved in the countries major industry "Building and Building Maintenance"

The Association of Building Engineers exists to support those involved in every aspect of the practice of building and building maintenance management and to promote and develop the standards and levels of service delivered by the industry.

It also gives me great pleasure as Chairman of the Northern Region to welcome the ABE President to our 2010 event, who will be in attendance throughout the day.

As in previous years we will have a comprehensive range of suppliers and manufactures exhibiting and providing advice and guidance to delegates.

I look forward to welcoming you to our 23rd Exhibition and trust that you will have an enjoyable and informative day.

Malcolm Parker FBEng, PEng, MRICS, MCIQB
Chairman ABE Northern Region
