GVW: 2,062kgs

Platform Capacity: 0 outdoors

Lift Capacity: 250kgs

Platform Capacity: 2 indoors

IPAF Category 3A

The JCB S2632E is a heavier duty scissor lift with a working height of 10m and yet are still narrow enough to pass through a single doorway, An ideal choice for construction fit-out jobs, maintenance tasks in factories, retail environments, warehouses and public buildings. Easy to manoeuvre and compact.

TOM JCB S2632E - NARROW ELECTRIC SCISSOR LIFT

These scissor lifts have a zero inside turning radius and non-marking tyres to protect floor finishes. A roll out deck and folding guardrails also add to their versatility. The battery power gives quiet pollution-free operation and batteries are easily charged with the onboard charger.
