IPAF Category 1B

The CTE 21.3JHL is easy to use, with simple and intuitive controls and compact for easy handling. This is the first semi variable Zed21.3JHL mounted on the Iveco Daily. It boasts 10m of unrestricted outreach with 300kgs basket capacity.

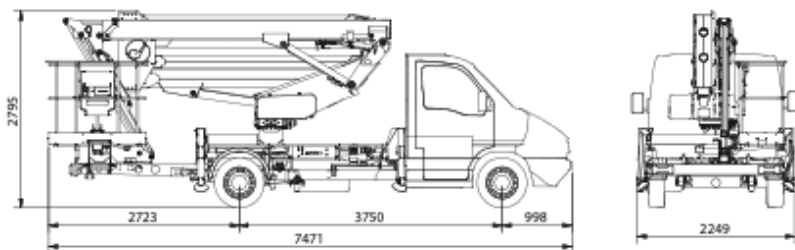

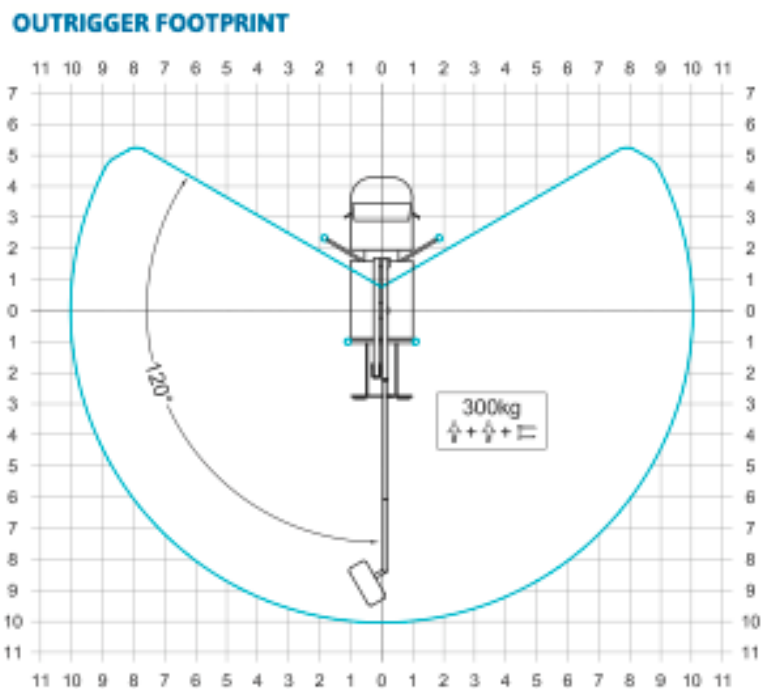

21M CTE ZED 21.3 JHL - TRUCK MOUNTED PLATFORM

The simplicity of the operations together with a big basket capacity and unrestricted outreach make this new model a very popular choice for the self-drive market. With a GVW of 3,500kgs, this vehicle can be driven on a standard licence.

* outreach and height max values and repeatability can change within $\pm 3\%$ due to manufacturing variation and working condition.
