

7.8M GENIE GS1932 - NARROW ELECTRIC SCISSOR LIFT

Working Height: 7.8m

Cage Capacity: 1 outdoors

Cage Capacity: 2 indoors

GVW: 1,500kgs

Lift Capacity: 227kgs

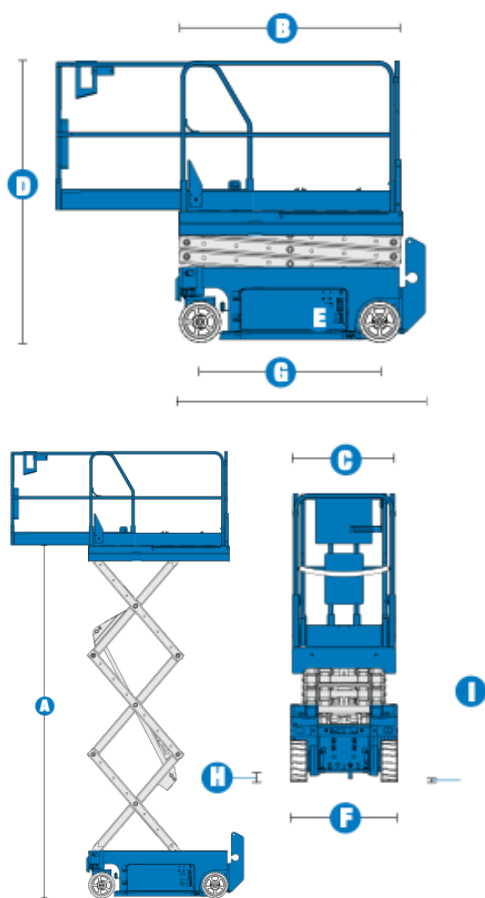

IPAF Category 3A

Genie slab scissor lifts can be used indoors or outdoors and offer quiet electric operation. The GS1932 has a working height of 7.8m and is designed for use on firm, level surfaces. They are an ideal tool if you are looking for electric scissor lift hire for indoor construction work, maintenance and installation work.

7.8M GENIE GS1932 - NARROW ELECTRIC SCISSOR LIFT

They are only 0.81m wide and can easily pass through standard single, or double doors. They are easy to manoeuvre and also very compact with front-wheel drive and a zero inside turning radius. The non-marking tyres protect floor finishes while a roll out deck provides additional working space.
