

Working Height: 9.9m

GVW: 1,959kgs

Platform Capacity outdoors: 0

Lift Capacity: 227kgs

Platform Capacity indoors: 2

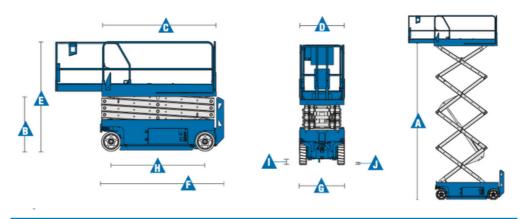

**IPAF Category 3A** 

GS2632E's scissor lifts are 'indoor only' with 9.9m working height. Quiet, compact, easy to manoeuvre in tight spaces. Great on firm, level surfaces. A perfect tool for your electric scissor lift hire needs. With a 9.9m working height, yet narrow, it can pass through a single personnel door.

The quiet, electrically-powered Genie GS2632 slab scissor lift is easy to manoeuvre and compact, with a zero inside turning radius. The non-marking tyres protect floor finishes, making it perfect for work on firm, level surfaces such as; indoor construction fit-out tasks and maintenance in shopping centres.

Models	GS-2632
